

International Conference on Informatics, Electronics & Vision (ICIEV12)

18~19 May, 2012 in Dhaka, Bangladesh

<http://aa.binbd.com/ICIEV>

Honorary Chair:

Jeff Cohn

*Univ. of Pittsburgh,
Carnegie Mellon Univ.*

General Co-chair:

Matthew Turk

Univ. of California, SB

Secretary:

M. Ahad

Kyushu Institute of Tech.

Advisory Board:

M. Atiquzzaman

Univ. of Oklahoma

Rainer Bartz

Cologne U Applied Sc.

Horst Bischof

Graz U of Tech.

Kevin Bowyer

Univ of Notre Dame

Richard Hartley

Australian National Univ

Adrian Hilton

Univ of Surrey

Seiji Ishikawa

Kyushu Inst. Tech.

Reinhard Klette

Univ of Auckland

Brian C Lovell

Univ of Queensland

Thomas B. Moeslund

Aalborg Univ

Marimuthu Palaniswami

Univ of Melbourne

Matti Pietikainen

Univ of Oulu

Mubarak Shah

Univ of Central Florida

Program Chair:

N. Ikoma

Kyushu Inst Tech

Track Co-Chair:

M. Matin

Univ of Denver

S. Serikawa

Kyushu Inst. Tech

M. Syed

Minnesota State Univ

H. Wakizako

Kyushu Inst. Tech

Workshop Co-Chair:

J. Tavares

Univ of Porto

Publication Co-Chair:

M. Kamal

Univ of Tokyo

The *International Conference on Informatics, Electronics & Vision (ICIEV)* provides vibrant opportunities for researchers, industry practitioners, volunteers, students and fellow citizens to share their research experiences, research results, ideas, review of various aspects and practical development experiences on Computer, IT, Informatics, Electronics, Computer Vision and related fields. Through various presentations from peer-reviewed accepted papers, Special Talks, Panel Discussions and networking – the ICIEV provides the avenue to share knowledge, make networks, and develop a community for the new researchers - based on the experiences of experts. The ICIEV will open doors for challenging research areas for future through Panel Discussions and Special Talks.

The ICIEV welcomes you to be part of it – through offering Special Session, Tutorial, Workshop, Special Talk, Panel Discussion, and through submitting your research paper on and related arenas! Going for IEEE and other indexing.

Topics of Interest (not restricted to):

Informatics, IT, Computer & Information Systems	Biomedical Systems, Applications in Medicine
Electronics	Biometrics
Computer Vision, Image Processing, Pattern Recognition	Renewable Energy
Robotics & Mechatronics	VLSI
Sensors & Embedded Systems	Information and Networking
Signal Processing	Environmental Engineering & Green Tech.
Industry Application	Communication Systems
	e-Governance
	Engineering for Unreached People

Important Dates:

4~6 pages paper in IEEE format:	Nov. 15, 2011
Review result:	Dec. 30, 2011
Final camera-ready:	Jan. 15, 2012
Early-bird Registration:	Jan. 20, 2012

Conference Site: <http://aa.binbd.com/ICIEV>

Submission Site: <https://cmt.research.microsoft.com/ICIEV2012/>

Special Journal Issues in different reputed journals from selected papers!

VENUE:

DHAKA, BANGLADESH

Bangladesh is a lovely country with very much welcoming and smiling people all around! Enjoy your time in Bangladesh during your stay in the ICIEV. Dhaka is the historical old city and the capital of Bangladesh – a country of lots of promise and brilliance.

Don't miss this opportunity to attend this conference!

Share your colleagues, students and notice boards!

WE LOOK FORWARD TO MEET YOU IN ICIEV!

International Conference on Informatics, Electronics & Vision (ICIEV)
